## TT WHAT IS THE TIMOTHY TEAM?

For the last 30 years, Bishop and Pastor Kathy have spent time pouring into the lives of leaders through the Timothy Team. In this intentional, and intense, relationship building process a leader is developed, mentored, and cared for.

Our method is modeled after the Apostle Paul in which he spent time raising up a spiritual son, Timothy. Each year we choose 15-20 men and it is our goal at the end of the TT year, that you be a better spouse, parent, and leader.
